

## **Minutes**

### **June 17, 2013**

Meeting opened at 6:30 p.m. outside on the picnic table. Clem and Chris were present. Ron was on vacation.

The meeting was held on the picnic table outside the school since the doors were locked. So, there was no agenda, no minutes from previous meeting, etc. Minutes for this meeting are brief since no actual notes were taken during the outside meeting.

Selectmen signed Warrant #11 on Tuesday when they were available.

#### **Old Business**

Town Office Update: The environmental testing has been completed and the demolition package will be put out for bid soon.

Land Use Ordinance Committee update: None

Comprehensive Plan Committee update: The committee is ready to make a recommendation to the Selectmen on the planner they would like to work with. Selectmen would like information on the procedures that the committee uses to run meetings, etc. Chia will compile the procedures that are currently in place and relay that information to the Selectmen.

Road work discussion: Stagecoach Road and Town Farm/Mussey Road intersection projects are still on hold. Kanokolus Road has been graded again and needs calcium to control the dust. The Winter Roads contract has been put out for bid again. Bid specs are available at the town office and bids are due in the office by 2:30 on June 28<sup>th</sup>.

#### **New Business**

Selectmen appointed Lucia (Chia) Murdock to the vacant Planning Board position.

Jean Bourg discussed the Selectmen's recent announcement of a new town website. Jean recommended that Selectmen pursue other options rather than a .gov domain. Possibly .govoffice, with a committee to oversee the website, or have the town office take over the unitymaine.org website. Selectmen will take this into consideration. No action was taken at this time.

Lynn Warman was at the meeting to discuss broken headstones in the cemetery. She feels that some of the stones need to be replaced since they were obviously broken by the mowing contractors in previous years. She will get the family name and Sue will check to see if there is perpetual care on the lot.

Meeting adjourned at 7:30 p.m.
