Old Business:

Town Office Update: Boyd Snowden has prepared new prints of the town office project, with some minor changes, that will be presented to the Planning Board this week. The project has gone out for bid to selected local contractors. There is a mandatory pre-bid meeting with contractors on Wednesday.

TIF Update: None

New Business:

Selectmen discussed plans for town meeting. Their plans for summer road money is to do the base coat on Town Farm Road to the Thorndike Town Line with the top coat within the next year or so. They plan to do "spring clean-up" on all roads that are not slated for major brush work this year.

Penny Sampson would like to explore the option of taking out a loan to do more paving on the worst roads.

Selectmen signed the Liquor License application for the Unity College Student Center.

The position of EMA Director for the town needs to be filled. The present director, Ronald Stevenson, will be stepping down. Selectmen will see if anyone is interested at the Town Meeting.

Meeting adjourned at 7:00 p.m.
