Meeting opened at 6:30 p.m. Chris and Clem were present. Penny was absent.

Public Feedback:

Lynn Warman was at the meeting with some concerns about the cemeteries. The dust has been bad on Kanokolus Road (calcium will be spread soon) and the rocks that were moved by the grader prevent mowing to the edge of the road. Selectmen will check into having the area next to the road raked so that the contractor can mow without damaging his equipment.

Brian Jones, our representative to the Legislature was at the meeting to see if Unity residents have any concerns that he should be aware of.

Selectmen reviewed and approved minutes from the previous meeting.
