

Unity TIF Advisory Committee (UTAC) Meeting

Wednesday, March 19, 2014, 8:30 am at the Town Office

Present: Jim Perry, Barry McCormick, Andy Reed, Chris Rossignol, Clem Blakney, Noreen Norton, Jean Bourg, Robin Fowler

The warrant for Town Meeting will have an item about TIF:

“Art. 6. To see if the Town will vote to appropriate not more than \$12,000 from TIF funds for professional services associated with identifying and advancing business growth within the Town.”

The committee discussed how to handle questions about TIF at Saturday’s Town Meeting. Chris will answer questions if he can, if not he will refer the question to Noreen.

If questions are complicated or technical, we will refer the question to Noreen.

If questions lead to a long discussion, we should plan an informational public meeting or invite questioner to attend UTAC meetings. We can start UTAC meetings with a public feedback/info session.
